### Notes:

- Your privacy is important to us. SAPFM does not share your contact information with any advertisers or other organizations.  
Membership dues are paid annually, except for paid-in-full Lifetime memberships. Membership duration (membership year) is for one year (365 days) from the date processed. Allow two weeks for processing for memberships sent via USPS.
- For early renewals, 365 days are added to the date your membership would have expired. There is no penalty for renewing after your membership has expired, although members receive the APF journal that is published December 31 of their membership year, so failure to renew before Dec. 31 will result in a lapse in your journal subscription.
